

DRAFT LETTER TO PARTICIPANTS IN NATIONAL POLICY COMMITTEE  
ROUND TABLE ON INCOME STABILIZATION

Dear \_\_\_\_\_:

Enclosed you will find Mr. Lenhart's report of the Round Table meeting we held last December 8 and 9 concerning our income stabilization volume.

As you recall we propose to publish this report as one chapter in the volume, which we hope will go to press this summer. Would you be so good as to read the report and forward any comments or suggestions for changes to Mr. Max Millikan, 421 Argyle Drive, Alexandria, Virginia. We would appreciate it if we could have your comments by August 1 at the latest, as we are anxious to get the manuscript to the publisher.

Mr. Lenhart will redraft the manuscript in the light of your suggested changes. If there are any comments you would like to make over your own signature we would be delighted to include them. These can be either comments on particular points in the report of the meeting which we will include as footnotes over your name at the appropriate point in the manuscript, for general comments on the report as a whole or on the volume which we would be glad to include at the end of Mr. Lenhart's statement.

I am sorry this report has been so long in getting to you. Mr. Lenhart is in no way responsible for the delays which are to be ascribed to various mechanical and other difficulties encountered by the editor. The National Policy Committee wishes to thank you again for your participation in this enterprise.

Sincerely yours,

D R A F T
